

SB03 FARIBA

ANRICHTE / SIDEBOARD

DESIGN: PHILIPP MAINZER, 2002

Die Anrichte FARIBA besticht besonders durch die vertikale Massivholzmaserung. FARIBA betont elegant die Materialkombination von massivem Holz und einem nahtlos gefertigten Stahl- bzw. Edelstahlrahmen. /

The sideboard FARIBA is particularly striking with its vertical display of solid wood grain. FARIBA elegantly highlights the combination of solid wood and a seamless steel or stainless steel frame.
